

Flying WILD and The Leopold Education Project Educator Workshops

Location: Cobb County Water System
660 S. Cobb Drive
Marietta, GA 30006

Dates: Friday, April 27, 2007 (Flying WILD): 4:00 PM – 8:30 PM (includes dinner)
Saturday, April 28, 2007 (LEP): 9:00 AM – 2:30 PM (bring a sack lunch)
*Must attend both days to receive 1 PLU

Audience: K-12 classroom educators, nonformal educators, scout and youth groups,
or anyone interested in the environment

Flying WILD: Learn how to introduce your students to bird conservation through standards-based classroom activities and environmental stewardship projects. *Flying WILD* encourages schools to work closely with conservation organizations, community groups and businesses involved with birds to implement school bird festivals and bird conservation projects. Participants will receive the *Flying WILD* curriculum book.

The Leopold Education Project (LEP) is an innovative, interdisciplinary, critical thinking, conservation and environmental education curriculum based on the classic writings of the renowned conservationist, Aldo Leopold. The Leopold Education Project teaches the public about humanity's ties to the natural environment in the effort to conserve and protect the earth's natural resources. Participants will receive the *Sand County Almanac* by Aldo Leopold and an 87-page curriculum guide, which has activities for each month of the year.

Registration fee: \$40.00 per person for both workshops or \$20 for Flying WILD only/ or \$30 for LEP only. Deadline for registration is April 6 due to limited space. Directions and program details mailed out upon registration.

Questions or registration information: Please contact Karen Garland at 404/876-2900 x 113 or email kgarland@gaconservancy.org

Cobb County...Expect the Best

Directions:

The Cobb County Water System is located at 660 S. Cobb Drive at the intersection of Atlanta Rd., Marietta

Travel north on I-75 to Exit #261 (Delk Rd.). The exit has two "exit only" ramps – stay in the left (west) ramp for South Cobb Drive / Hwy 280 / Lockheed/Dobbins AFB. Once off the ramp and on Delk Rd (west) – *name will change to South Cobb Drive*, travel 3.7 miles, passing through 5 traffic lights. Atlanta Road is the 6th traffic light from I-75 (just before the railroad overpass) – make a right turn onto Atlanta Road then turn right into the CCWS Complex.

We will be meeting in the Water Quality Laboratory. The Lab is the building on your left as you enter the property. Turn into the parking lot on your immediate right or circle to the back of the Lab for parking. There is an entrance on both sides of the building.
